**A Collection of highly intelligent quotes and bits of information  
that anyone who's anyone needs to know.  
Compiled by the Poor Taste Committee.**

No staring please! In case you didn't know, celebrities often come to Farley's. So if you see the likes of Paul Newman, Tom Cruise, Sylvester Stallone or Cindy Crawford...Don't stare at them and we promise they won't stare at you.

You may notice some folks around here that look like they work at Farley's. They probably don't, so be careful who you give your money to.

No Pipe or Cigar Smokin' and no Tobacco Spittin'. If you feel you really must, we have a room in back where it's allowed - and it's a great place to meet some of our local politicians.

We open at 11:00 a.m....if our servers show up. We close at 11:00 p.m. (or thereabouts) if the cooks don't quit - but you can always get a drink at Farley's. . .the bartender lives out back.

We take VISA, Master Card, Diners, Discover - and we Damned Sure take American Express!

Farley don't much believe in this new "Eat Light" thing going around. If you wanna eat light here, Farley suggests cutting your sandwich in half and taking the rest home. We'll provide the bag.

If you're lookin' for a salad bar, just go 2 1/2 miles south on Mechem, hang a left on Sudderth for 2 1/2 miles. That'll put you at Cattle Baron's front door: Just look for the purdy waterfall.

"If at first you don't succeed, try again - then quit. No use being a damned fool about it."

"Vegetarians aren't vegetarians because they love animals - vegetarians are vegetarians because they hate plants!"

"It's impossible to make anything foolproof, because fools are so ingenious."

"Fill what's empty. Empty what's full. And scratch where it itches."

Never eat at a place called "Mom's." Never play cards with a guy named "Doc." And never date a person with more troubles than you.

"There are three ways to get something done: Do it yourself, hire someone, or forbid your kids to do it."

"You can lead a horse to water, but if you can get it to float on its back, you've got something!"

"After all is said and done, a helluva lot more is said than done!"

#1 Rule of the Poor Taste Committee Meetings: Be the first to move for adjournment - this will make you popular, as it's what everyone is waiting for anyway.
